ANNUNCIATION

OUR AIMS

This group was formed to celebrate the history of the Church of the Annunciation, to support its continuing mission and its liturgical and music traditions.

The Friends enable past members of the congregation of the Church to remain in contact. They enable existing members of the Church, especially occasional visitors, to support the Church and keep up to date with Church events.

The funds collected by the Friends are used to finance projects especially chosen by the Friends in association with the PCC.

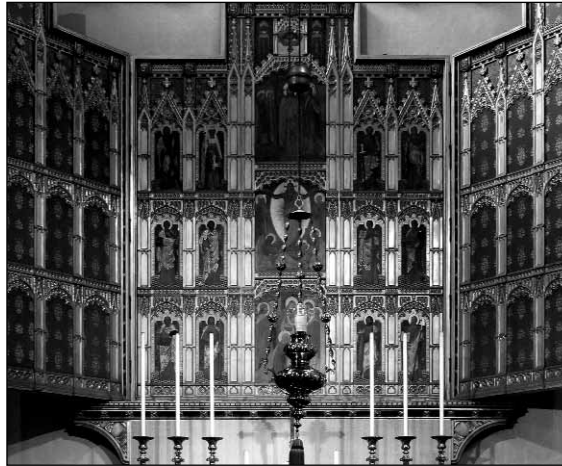

The Friends aim to assist the growth of the Church. They encourage younger members and support the close links that the Church has with the Parish School.
